HON. JUDGE MOSES

SHAKUR YOUNG V. CITY OF NEW YORK, et al. 18-CV-03316

Judge Moses,

I am writing you to submit a new exhibit that I recently received. I just returned from a court trip, and I was taken to the RNDC facility on Rikers Island on January 22, 2019. I stayed there for one week. While there I had to go the clinic where some of the violations occurred that is listed in my lawsuit. While at the clinic I noticed to documents that was taped on the walls inside the clinic. These documents are reminders to staff, that any patients exposed to the chemical weapon olesresin capsicum must be decontaminated before entering the clinic.

These two documents came from **Correctional Health Services, NYC Health + Hospitals Corporation**. This document/memo was sent out on Wednesday, December 27, 2017, 10:56am, BALILO OFELIA. This document/memo was posted after the Plaintiff exposure to the chemical weapon. During my stay at the RNDC facility from January 2017 to November 2017 there were no documents, signs instructing medical staff of the importance of decontamination of detainees after the exposure to OC.

I hope that this honorable court accept this evidence.

RESPECTFULLY SUBMITTED,
